

Built with The Operator in Mind

Using high-grade CNC cut fiberglass panels and wood-free floor construction, the Majestic is built for ease of maintenance and extended durability. With common sealed roto-cast holding tanks, service is a snap. Our custom counter, sink and backsplash are a single surface that easily wipes clean. The solar-powered, self-contained Majestic luxury restroom trailer is ready to impress your customers at the most elegant affairs.

These Are Royal Accommodations

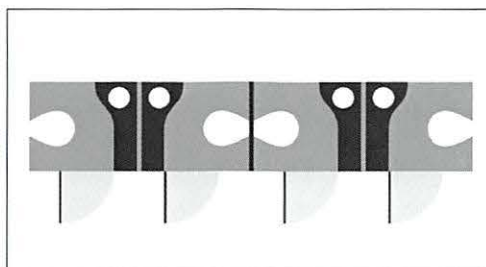

Since inventing the first **VIP** (Very Impressive Portable) over 25 years ago, NuConcepts continues to innovate with our new Majestic luxury restroom trailer. With artfully arched doorways, elegant curved counter tops, flushing porcelain toilet, brushed aluminum ceilings, beveled glass mirror and plank flooring in each of the spacious individual restrooms, your customers will appreciate the exceptionally clean design. The Majestic is our top-of-the-line luxury restroom trailer.
